Workshop: Nutrient Management and Conservation Programs

USDA Natural Resources Conservation Service (NRCS) and ATKINS Caribe, LLP, invite the farming community to participate in 4 workshops focused on nutrient management and soil conservation programs.

Come and join us!

“Healthy soils yield productive agriculture”

For more information please contact:
Jaime Valentin (NRCS) at 787-766-5206 (office) / 787-360-9538 or
jaime.valentin@pr.usda.gov

Raúl Di Cristina (Atkins) at 787-294-2010 or
raul.dicristina@atkinsglobal.com

If you need any reasonable accommodation, please contact NRCS one week before the workshop date.
